Dear Treasurer:

This letter is prompted by the Commission's preliminary review of the report(s) referenced above. This notice requests information essential to full public disclosure of your federal election campaign finances. **Failure to adequately respond by the response date noted above could result in an audit or enforcement action.** Additional information is needed for the following 4 items:

1. Your report contains incorrect Column B figures for Lines 6(a), 6(c), 11(c), 11(e), and 16 of the Summary and Detailed Summary Page information. When aggregating and reporting receipts and disbursements, candidate committees are required to disclose their activity on an election-cycle basis, from 11/5/08 to 11/2/10. Please amend your report to show election cycle-to-date figures for all aggregate amounts. (2 U.S.C. § 434(b))
2. The beginning cash balance of this report does not equal the ending balance of your July Quarterly Report. Please correct this discrepancy and amend all subsequent reports(s) that may be affected by the correction. (2 U.S.C. § 434(b)(7))
3. Contributions from individuals and persons other than political committees must be itemized when the aggregate total from the contributor exceeds \$200 in an election cycle. This means that the committee does not have a reporting requirement of a contribution until the aggregate total exceeds the \$200 threshold. (2 U.S.C. § 434(b)(3)) Should a committee wish to disclose contributions that do not require itemization, it must do so on a separate Schedule A and report the total amount of the contributions not requiring itemization on Line 11(a)(ii), unitemized contributions, of the Detailed Summary Page information. (11 CFR § 104.3(a)(4)(i))
